Hey Kathy,

Please find attached the modified powerpoint. Please note that I didn't mess around with the talking points because I didn't know where you wanted to stop. If you want to let me know where you want to end your presentation, I can do a cross reference of the talking points that ASWM came up with.

Sincerely,

Stephanie

Hi Stephanie,

So I've looked at the PPT, I have not looked at the incoming request. I think you did a great effort without much guidance.

I've made some tweaks directly to the PPT.

**Ex. 5 Deliberative Process (DP)**

## **Ex. 5 Deliberative Process (DP)**

In general, I'm confused by the title of the slides and the talking points and/or what is on the slides. The titles and the substance seem to be disjointed to me. There appears to be ALOT in the talking points. But on slides there is nothing and if this is to be a tutorial we may need more.

A few specific questions:

Slide 4 notes:

## **Ex. 5 Deliberative Process (DP)**

On slide 5

# Ex. 5 Deliberative Process (DP)

Lastly, did you fill out all the other slides? If so, we should delete your good work before sending back.

Okay really only two more comments,

- 1) we need to have Dolores reach out so we can review what ASWM plans to present.
- 2) Feel free to call me and we can talk. We can also talk tomorrow. May be good to set up 30 min with you, me and Dolores as she should have a better idea of objective.

Thanks. - Kathy
